

Electronics & Communication Engineering Awards

- Innovative Electronics & Communication Engineer Award
- Innovative & Dedicated Electronics & Communication Engineer Award
- Innovative & Dedicated Best Electronics & Communication Engineer Award
- Exceptional Dedicated Electronics & Communication Engineer Award
- Innovative Women Chartered Electronics & Communication Engineer Award
- Innovative Women Chartered Engineer Award
- Innovative & Dedicated Chartered Electronics & Communication Engineer Award
- Innovative Women Electronics & Communication Engineer Award
- Innovative & Dedicated Women Electronics & Communication Engineer Award
- Distinguished Electronics & Communication Engineer Award
- Class A Electronics & Communication Engineering Project Award
- Class B Electronics & Communication Engineering Project Award
- Class C Electronics & Communication Engineering Project Award
- Innovative Electronics & Communication Students Award
- Innovative & Dedicated Electronics & Communication Engineering Student Award
- Innovative Women Electronics & Communication Engineering Student Award
- Innovative Women Electronics & Communication Engineering Student Award
- Innovative journalist of Electronics & Communication engineering Award
- Innovative & dedicated journalist of Electronics & Communication engineering Award
- Innovative Technologist of Electronics & Communication Engineering
- Innovative & Dedicated Technologist of Electronics & Communication Engineering
- Innovative Technologist & Professor of Electronics & Communication Engineering
- Innovative Technologist & Dedicated Professor of Electronics & Communication Engineering
- Innovative Technologist & Dedicated Best Professor of Electronics & Communication Engineering
- Innovative Technologist & Dedicated Teaching Faculty of Electronics & Communication Engineering
- Innovative Technologist & Dedicated Faculty of Electronics & Communication Engineering
- Excellent Electronics & Communication Engineering Professional Achievement Award
- Excellent Women Electronics & Communication Engineering Professional Achievement Award
- Innovative Electronics & Communication Engineering Professional Award
- Innovative Women Electronics & Communication Engineering Professional Award
- Distinguished Electronics & Communication Engineering Professional Award
- Distinguished Women Electronics & Communication Engineering Professional Award
- Enhancing Electronics & Communication Engineering Professional Career Award
- Enhancing Women Electronics & Communication Engineering Professional Career Award
- Young Electronics & Communication Engineering Professional Development Award
- Young Women Electronics & Communication Engineering Professional Development Award

“Upgrade Your Status”
